MISSIE & VISIE

01

MISSIE

Als studiebureau vertaalt qern complexe theorie naar de praktijk. Wij ontwerpen slimme, nuchtere oplossingen waarbij de mens en zijn omgeving altijd centraal staan. Geen vage plannen, maar haalbare ontwerpen die écht werken.

&

VISIE

Oplossingen ontwerpen die zó puur in hun essentie zijn, dat ze moeiteloos lang meegaan zonder enige verspilling of noodzaak tot vervanging.
